

Colour and Black & White Digital Copyprints

Do you own old, faded or creased photographs with treasured memories of the past and are too afraid to put them on show for fear of further damage?

S.P. Photographics can digitally copy your old colour and black & white photographs without any harm coming to the original leaving you with a quality reproduction to share with family and friends.

We offer a straight-forward copy, minor manipulation or even a full restoration service on any size print brought to us to be copied and in the case of black & white originals, can be reprinted to either sepia or returned back to its original true black & white state !

PRICELIST

To copy any size original colour or black & white print - **£3.00 per copy**

Then add copyprint prices below, available on lustre or glossy paper.
(These are for prints taken from the digital copy file without corrections or manipulation)

<u>Copyprint size</u>	<u>Price</u>	<u>Copyprint size</u>	<u>Price</u>
5"x3.5", 6"x4" and 5"x5"	£5.50	12"x10" and 12"x12"	£25.00
7"x5" and 7"x7"	£9.50	16"x12"	£40.00
8"x6" and 8"x8"	£13.50	20"x16"	£70.00
10"x8" and 10"x10"	£16.50	24"x20"	£90.00

A high resolution CD of copied prints are available at £20.00 per image.

Discounts are available for 10 or more prints off the same image.

When copying from colour photographs, colours will be matched as close as possible to the original (unless requested otherwise).

When copying from black and white photographs, images can be turned back to a true black and white finish or given a sepia tone.

If any manipulation or restoration work is requested then it will be charged out as follows:

Minor Manipulation - £15.00 (up to half hour)

To remove small scratches, dust marks and spots etc.

Restoration - £30.00 (up to one hour)

For more intensive work including removing creases etc.

Prints direct from Negatives / Transparencies

We can also produce prints from the majority of negative and transparency formats - **£3.00 per negative / transparency**

Then add copyprint prices above, available on lustre or glossy paper.

ALL PHOTOGRAPHS COPIED THROUGH THESE SERVICES MUST BELONG TO THE CUSTOMER (OR HAVE THE OWNERS WRITTEN PERMISSION) AND BE COMPLETELY COPYRIGHT FREE
